A MESSAGE FROM THE CHAIRMEN 2005

The 2005 Ocean State Special Themes Salon has finally come to a close. When we first started toying with the idea of hosting a salon, we really didn't know what we were getting into. Had we known, there wouldn't be an Ocean State Special Themes Salon... Just kidding!! This really has been a labor of love. The outpouring of help and support has been truly remarkable. Starting with Wade Clutton, PSA's color slide chairman, who took Jude aside at the NECCC conference a few years ago and gave him the ins and outs of running a salon – the good, the bad and the ugly. He took a lot of time out of his busy schedule to help a couple of good ol' boys from Rhode Island. He also had to put up with several hundred emails from us as we took each step to making this salon a reality. Wade, we say thank you.

After the commitment to host the salon was made, we turned to the one person we knew could run ANYTHING and run it well – and it just so happens that she runs the largest color slide salon in the United States. We speak, of course, of Susan Mosser. Susan has been a wealth of information and inspiration during this initial start-up. We know the work involved in running a small 200 entrant salon... we can't begin to imagine the talent needed to run a 700-800 entrant salon like the Greater Lynn International. After this event, we are even more in awe of you, Susan. Thank you so much for all you've done. It is not an overstatement when we say we couldn't have done this without you.

Besides the inspiration, we need to recognize the perspiration: the people who do the work in the trenches. Our club has a small but dedicated group of people who answer the bell whenever it is sounded – and they came through again with flying colors. Our publishing and tech support crew of Phyllis Goble, Cemal Ekin and Holly Trahan have put together a first rate web-based catalog and website for this salon that would make any club jealous. Our salon night staff of Michael DiStefano, Dena Janson, Deb Page, Laura Landon and Natalya Pluzhnikov helped make a smooth night out of what should have been a trying ordeal. To all of you we give heartfelt thanks.

Finally, we would like to thank the members of PSA who entered our salon. We appreciate the trust you placed in us – allowing us to possess your valued work for two months. We loved the opportunity to view your images. Your work inspires and motivates us... to travel, to shoot and to look at the world around us with new eyes. We look forward – with great anticipation – to seeing your work in 2006.

Best Wishes to all in the New Year...
