How Does MultiScreen Work?

- Each club submits one image for each of the 25 categories
- On competition night each club projects a random image for each category onto a screen
- The judge selects one photo for 1st, 2nd, and 3rd place
- Judging is based on the following criteria
 - 50% on how well the image depicts the subject
 - 50% on image quality
- The club with the lowest aggregate score wins
